

The California Citrograph

INDEX TO VOL. III—November, 1917, to October, 1918, Inclusive

| Page | Page | Page |
|--|--|---|
| A | | |
| Amson, J. R., Moisture Studies Leffingwell Rancho.....289 | How System Pays at Azusa Foothill Ranch, by J. L. Mathews.....95 | Pruning Lemon Trees According to Types of Wood, by J. P. Englehart, Glendora.....229 |
| Annual Report of California Fruit Growers Supply Co., E. G. Dezell.....292 | How About the Cherimoya? by Wilson Popenoe.....102 | Pruning and Transplanting Citrus Stock, by F. H. Nusbickel.....178 |
| Appellate for Trade Poisoning, by F. Stokes, Jr.....33 | Hoyt, A. S., Citrus Canker and Its Eradication.....46 | Pruning Lemon Trees Six to Twenty Years Old, by E. S. Lewis, Ontario.....230 |
| Appliance for Basin Irrigation, by F. M. Eaton.....27 | I | Pruning Lemon Trees, by W. H. Fleet, Manager Rancho Sespe.....146-149 |
| Armilaria Root Rot of Citrus Trees, by J. T. Barrett.....77 | Improving the Avocado by Crossing, by Wilson Popenoe.....181 | Pulling Fruit Instead of Chipping to Prevent Stem Rot.....100 |
| Ards at Orange Show.....134 | Importance of Having Best Types of Trees, by C. S. Milliken.....277 | Q |
| Avocado Association Session.....214 | Improvement of Fruit Trees, by Leonard Coates.....52 | Quarter of Fruit Acreage in Citrus.....188 |
| Avocado Men Discuss Problems.....28 | Income Taxes Affect Growers.....76 | Quayle, H. J., The Orange Tortrix.....133 |
| B | In Case "Culls" Are Infected.....191 | Liquid Hydrocyanic Acid.....23-258 |
| Babcock, E. B., Vital Question in Improving Tree Fruits by Bud Selection.....4 | In Danger of Losing Parent Tree.....58 | R |
| Barrett, J. T., Armilaria Root Rot of Citrus Trees.....77 | Insectary and Its Work.....5 | Reed, H. S., Comparative Results of Moderate and Severe Pruning.....25 |
| Better California Grapefruit, by A. D. Shamel.....94 | Irrigating the Avocado by Drip System, by Dr. L. Keller, Yorba Linda.....30 | Reed, J. H., Sketch of.....187 |
| Black, E. A., and Pemberton, C. E., Mediterranean Fruit Fly in Hawaiian Islands.....302 | J | Relation of Soil Moisture to Orange Growth, by C. A. Jensen.....98 |
| Black Fly a Serious Menace to Citrus, by Wilmon Jewell, Plant Commissioner of Florida.....209 | Jensen, Chas., A., Effects of Different Kinds of Organic Substances On, and Relation of Humus to, Orange Yields.....152 | Rejuvenation of Lemon Grove, by E. R. Jones.....259 |
| Black Necked Lemons, by Leonhardt Swingle.....112 | Relation of Soil Moisture to Orange Growth.....98 | Renewing Old Lemon Trees, by J. D. Culbertson.....202-203 |
| Brazzaele, J. F., Manure Efficiency and Standardization.....127 | Jones, P. R., Rejuvenation of Lemon Grove.....259 | Report of Supply Company.....7 |
| British Government Negotiating.....68 | June Drop and Its Relation to the Weather, by C. A. Jensen.....255 | Retain the Efficient Man, by B. A. Woodford, Claremont.....41 |
| Bud Selection and the Recording of Nursery Stock, by J. Eliot Coit.....4 | June Drop Ascribed to Low Humidity.....192 | Revolving Fund Method, The.....171 |
| C | June Drop Discussed, by R. W. Hodgson.....305 | S |
| Can California Produce Good Grapefruit? by A. D. Shamel.....153 | K | Scott, L. B., U. S. Dept. of Agriculture, Strains of Satsuma Oranges in the U. S.....254 |
| Can Arizona Grapefruit.....200-201 | Keller, Dr. L., Irrigating the Avocado by Drip System.....30 | Send for Women Workers, Says Land Army.....212 |
| Canning Up Citrus Canker.....99 | Kelley, W. P., Survey of Irrigation Waters of Southern California.....191 | Sentiment and Beauty in Fruit Raising, by J. L. Matthews.....126 |
| Citrus Tree's Fertilization.....14 | Kirk, W. S., Spanish Peanut as An Intercrop.....275 | Shamel, A. D., Better California Grapefruit.....94 |
| Citrus Crop Conditions Reviewed, by E. G. Dezell.....60 | Kirkman, W. T., Standardization of Commercial Nursery Products.....12 | Can California Produce Good Grapefruit?.....153 |
| Citrus Fumigation Described, by Department of Agriculture.....203 | L | Dairying and Orange Growing at Bahia, Brazil.....228 |
| Citrus Protective League, Why Citrus Industry Needs Protective Tariff.....226-227 | La Follette, R., Pest Control on Leffingwell Rancho.....174 | Housing the Employes of California's Ranches (Chase Plantation, Corona).....70 |
| Citrus Canker and Its Eradication, by A. S. Hoyt.....46 | Leffingwell, C. W., Jr., Sketch of.....161 | Housing the Employes of California's Citrus Ranches (Leffingwell Ranch).....176-177 |
| Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Lemon Club Meeting.....143 | Housing Employes of California's Citrus Ranches (Limoneira Ranch).....150-151 |
| Citrusella's Date—the World's Finest, by Staff Correspondent.....26 | Lemon By-Products, by C. B. Wilson.....149 | Housing the Employes of California's Citrus Ranches (Rancho Sespe).....96-97 |
| Citrus, L., Improvement of Fruit Trees.....52 | Lewis, E. S., Pruning Lemon Trees Six to Twenty Years Old.....230 | Housing of Employes of California Citrus Ranches (Am. Beet Sugar Co.'s plan).....294 |
| Citrus, J. E., Bud Selection and Recording of Nursery Stock.....4 | Liquid Hydrocyanic Acid, by H. J. Quayle.....23-258 | Methods of Feeding Manure to Trees.....124-125 |
| Citrus, C. F., Control of Citricola in Tulare County.....57 | Look Ahead at Lemons, by Don Francisco.....122 | Performance Record Lisbon Lemon Orchard.....75 |
| Citrus, D. W., New and Rare Plants.....3 | Lopping Practice in Nurseries, C. S. Milliken.....291 | Productive, Hardy and Resistant Strain of the Navel.....92 |
| Comparative Results of Moderate and Severe Pruning, by H. S. Reed.....25 | M | Why Navel Oranges Are Seedless.....204 |
| Control of Citricola in Tulare County, by F. C. Collins.....57 | Machinery and Women May Solve Labor Problem.....164 | Shamel, A. D., Sketch of.....211 |
| Control of Scale Matter of Duty of Government, by J. L. Matthews, Covina.....247 | Mackie, D. B., Field Deputy, Commission of Horticulture, Some Observations on Citrus Canker.....231 | Sharp, D. D., Uniform Reports from Inspectors.....59 |
| Co-operation of Banker and Citrus Grower, by J. L. Matthews.....180 | Manure Pits on Citrus Ranches, Conservation Measure, by A. D. Shamel.....256-257 | Shedden, T. H., Practical Ideas to Popularize Avocado.....54 |
| Cushion Scale; Introduction and Control.....160 | Manure Standardization Discussed.....123 | Sketch of F. J. Dwyer.....239 |
| Culbertson, J. D., Renewing Old Lemon Trees.....202-203 | Manure Efficiency and Standardization, by J. F. Brazzaele.....227 | Sketch of J. S. Edwards.....301 |
| D | Mathews, J. L., Control of Black Scale, Matter of Duty to Government.....247 | Sketch of W. H. Fleet.....265 |
| Dairying and Orange Growing at Bahia, Brazil, by A. D. Shamel.....228 | Co-operation of Banker and Citrus Grower.....180 | Sketch of C. W. Leffingwell, Jr.....161 |
| Dates Growing in the Coachella Valley.....6 | How System Pays at Azusa Foothill Ranch.....95 | Sketch of J. H. Reed.....187 |
| Development of New Labor, by M. F. Tarpey.....48 | Sentiment and Beauty in Fruit Raising.....126 | Sketch of A. D. Shamel.....211 |
| Dezell, E. G., Annual Report of California Fruit Growers Exchange.....292 | McKay, A. W., Preventing Frost Damage in Transit; Heavier Loading.....202 | Soil Moisture Tests Only Guide.....193 |
| Dezell, E. G., Citrus Crop Condition Reviewed.....60 | Mediterranean Fruit Fly in Hawaiian Islands, E. A. Black and C. E. Pemberton.....304 | Soils, Pruning and June Drop Discussed.....51 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Method of Feeding Manure to Trees, by A. D. Shamel.....124-125 | Some Abnormal Water Conditions, by R. W. Hodgson.....213 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Mexican Labor, by R. S. Vaile.....97 | Some Observations on Citrus Canker, by D. B. Mackie, Field Deputy, Commission of Horticulture.....231 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Milliken, C. S., Handling of Select Citrus Buds.....78 | Spanish Peanut as An Intercrop, by W. S. Kirk.....175 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Importance of Having Best Types of Trees.....277 | Spring and Fall Bearing Eureka Lemons, by Leonard Swingle.....122 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Lopping Practice in Nurseries.....291 | Standardization of Commercial Nursery Products, by W. T. Kirkman.....12 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Allison.....289 | Strains of Satsuma Oranges in the U. S., by L. B. Scott, U. S. Dept. of Agriculture.....254 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Mortensen, A. M., Traffic Conditions Applying to Citrus Shipper.....47 | Sunkist Courier Department, Don Francisco, Editor, Pages 79-82, 103-106, 129-132, 155-158, 183-186, 205-208, 233-236, 261-264, 297-300..... |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Mulched Basin System of Citrus Culture, by J. F. Brazzaele, Chula Vista, U. S. Department of Agriculture.....232 | Swingle, L., Bottle Necked Lemons.....112 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | N | Spring and Fall Bearing Eureka Lemons.....122 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Necessity of Manure Standardization Law.....76 | Surr, Gordon, Prickly Lettuce on Its Travels.....9 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Needham, C. E., How Do Citrus Growers View the Avocado?.....215 | Survey of Irrigation Waters of Southern California, W. P. Kelley.....291 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | New and Rare Plants, by D. W. Coolidge.....3 | T |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Notes on California and Arizona Grapefruit, by E. M. Chace and C. G. Church.....200-201 | Tractors, Heavy Artillery of Ranch and Orchard.....266-272 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Newell, W., Plant Commissioner of Florida, Black Fly a Serious Menace to Citrus.....208 | Traffic Conditions Applying to Citrus Shippers, by A. M. Mortensen.....47 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | News of Interest to Citrus Growers.....2 | Tariff Commission Getting Data on Citrus.....218 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Pages 34, 84, 85, 101, 128, 159, 182, 210, 238, 260, 296, Nusbickel, F. H., Pruning and Transplanting Citrus Stock.....178 | Tarpey, M. F., Development of New Labor.....48 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | O | U |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Observations on Citrus Culture in Australia, E. J. Vosler.....295 | Uniform Reports from Inspector, by D. D. Sharp.....59 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Orange Tortrix, by H. J. Quayle.....133 | Utility and Sentiment of the Avocado, by J. M. Elliott, Los Angeles.....31 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Orchard Inter-cropping, by R. W. Hodgson.....2 | V |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Organic Material Again, by R. S. Vaile.....22 | Vaile, R. S., Mexican Labor.....97 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Overtime Rate for Women Workers.....167 | Vosler, E. J., Observations on Citrus Culture in Hawaiian Islands.....295 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | P | Vital Question in Improving Tree Fruits by Bud Selection, by E. B. Babcock.....4 |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Peat as Source Organic Matter for Soil.....165 | W |
| Dezell, E. G., Citrus Meeting to Discuss Enforcement of Fresh Fruit Standardization Law, by G. H. Hecke.....44 | Performance Record Lisbon Lemon Orchard, by A. D. Shamel.....75 | War Time Economies for the Citrus Grower, by Dr. H. J. Webber.....72 |
