The California Citrograph

INDEX TO VOL. IV—November, 1918, to October, 1919, Inclusive

A

Page

Agitators Cause Trouble in Citrus Groves....128
Agricultural Exploration in Mexico, Wilson Popenoe, Nos. I, II, III....2, 29, 63
Alabama Growers Show Benefits of Good Cultural Practices....250
Allen, R. C., of Bonita, Sketch of....115
Allison, J. R., and I. G. McBeth, Leffingwell Rancho, Recent Investigations in Orchard Heating....51
Necessity for Manure Standardization....259
Annual Report of California Fruit Growers Exchange, G. H. Powell....330
At Home With the Citrus Grower, Peggy Jeans, Editor....196, 222, 252, 280, 324, 356
A Ranch Insectary for Control of Insect Pests, Carl V. Newman....314
Avocado Men Meet and Discuss Problems....216

B

Bigger and Better Orange Show....90
Booth, C. J., The Chaffey Citrus Fertilizer Experiment....205
Borden, A. D., and R. S. Woglum, U. S. Department of Agriculture, Comprehensive Demonstration of Argentine Ant in Citrus Orchards....147
Brann, Frank, Fumigation With Hydrocyanic Gas in Tulare County....177
Breeze-Creating Machine to Protect from Frost and Heat....268
Bridge Grafting on Citrus Trees, E. H. Paddock....276

C

California Date Packing House....346
California Fruit Growers Exchange Annual Report....330
California Grapefruit Winning Its Way, A. D. Shamel....230
Can Mulching Be Recommended as a Citrus Grove Method, C. F. Lefferts....160
Chace, E. M., Chief of Citrus By-Products Laboratory, Sketch of....155
Confections from Orange and Grapefruit Peel....244
Detection and Elimination of Frosted Fruit....108-109
Citrus Growers at Tractor Demonstration....15
Citrus Institute to be Permanent Feature....148
Citrus One Quarter State Fruit Acreage....93
Citrus Production in the U. S. and Competing Countries, F. O. Wallschlaeger....150
Coit, J. Eliot, The Etrog or Cedrat of the Hebrews....3
Comprehensive Demonstration of Argentine Ant in Citrus Orchards, R. S. Woglum and A. D. Borden....147
Confections from Orange and Grape Peel, E. M. Chace....244
Co-operation Applied to Orchard Management, T. R. Woodbridge, President Liberty Groves Operating Corporation....116
Co-operative Fumigation and Its Advantages....186
Co-operative Management Thermal Heights Groves. S. E. Kiefer....331
Craig, V. H., San Fernando, Sketch of....299

D

Daylight Fumigation with Hydrocyanic Acid, H. J. Quayle....292
Davidson, J. B., Selecting a Tractor for Orchard....304
Detection and Elimination of Frosted Fruit, E. M. Chace....108-109
Drone Trees Cause Heavy Loss....41

E

Elliott, J. M., Los Angeles, Hillside Planting of Avocados....218
Escondido's Challenge Cluster of Lemons....134

F

Farm Bureau and Citrus Fruit Grower, G. H. Powell....344
Fawcett, H. S., Psorosis (Scaly Bark) of Orange Trees in California....107
Fertilization of Citrus Groves During Period of High Prices, J. A. Prizer....231
Fifty-Year-Old Lemon Orchard, Example of Longevity, C. J. Scott, Bonnie Brae Ranch....27
Fraser, W. G., Sketch of....35
Frozen Lemons and Oranges for By-Products, E. E. Thomas....78
Fruit Growers Supply Co., Annual Report, F. B. Hutchens....28
Fumigation With Liquid Hydrocyanic Gas in Tulare County, Frank Brann....177
Furrow-Manure Method of Feeding Orange Trees, A. D. Shamel....5
Furrow-Manure Method of Fertilizing, Questions Answered, A. D. Shamel....37
Furrow Manure System, Observations on, A. D. Shamel....332-333
Further Observations Upon Furrow Manure System, A. D. Shamel....332-333

G

Graduated Tent Fumigation Dosage System, A. W. Morrill, State Entomologist, Arizona....52
Growers Spend Five Millions in Insect Control....242

H

Harris, Robert A., Pecan Nut Cultivation Advocated for Interior Valley Lands....241
Hauser, E. J., and R. W. Hodgson, Poultry as a Source of Manure for Citrus Ranches....110
Hillside Planting of Avocados, J. M. Elliott, Los Angeles....218
Hodgson, R. W., and E. J. Hauser, Poultry as a Source of Manure for Citrus Ranches....110
Horticultural Week at Riverside....212
Housing Employees of California's Citrus Ranches, a Sixth Paper, A. D. Shamel....204
How Nature Assists in Mealybug Control, R. S. Woglum....106
How Sunkist Marmalade is Made....80-81
Hutchens, F. B., Manager Fruit Growers Supply Co., Annual Report....28
Hutchens, F. B., Manager Fruit Growers Supply Co., Sketch of....211

I

Page

Importance of Using Reliable Citrus Trees in New Plantings, C. S. Milliken....158
Improved Grading Table for Lemon Packing Houses, H. A. Schuyler....13
Improving the Soil in a Young Orchard, J. A. Prizer, Citrus Experiment Station....202-203
Internal Browning of Lemons....292
Irrigation and the Alkali Problem, W. P. Kelley....146

J

Jeans, Peggy, At Home With the Citrus Grower....196, 222, 252, 280, 324, 356
Jensen, C. A., Some Relations Between Citrus Fruit Growth and Soil Moisture....119
Some Relations Between Fruit Growth, Soil Moisture and Climatic Conditions, No. II....184
Jones, C. J. K., Orange, Sketch of....11

K

Kiefer, Stephen E., Co-operative Management Thermal Heights Groves....331
Kelley, W. P., Irrigation and Alkali Problem....146
Knight, Hugh, What the Horticultural Commission Means to Us, Nos. I and II....426

L

La Follette, Rollin, Plant Lice Attacking Citrus Trees and Their Control....149
Lectures on Citriculture at University Summer School....278
Lefferts, C. F., Can Mulching Be Recommended as a Citrus Grove Method?....160
Leffingwell Rancho Being Subdivided....185
Little, F. A., Riverside, Sketch of....267
Liquid Hydrocyanic Acid Fumigation, by H. J. Quayle....260

M

Mackie, D. B., Navel Satsumas Found in California....60
Notes on Navel Variety Satsuma Orange....20
McBeth, I. G., and J. R. Allison, Necessity for Manure Standardization....259
Recent Investigations in Orchard Heating....52
McBeth, I. G., Tractor Experiences and Efficiency....291
McClure, George S., What About the Avocado Market?....246
McNair, Dr. W. R., Sketch of....339
Meek, B. B., Oranges for Thanksgiving....274
Merryman, R. C., Exeter, Sketch of....59
Mertz, W. M., Alta Loma, Soil Tillage in Relation to Citrus Orchards....214
Milliken, C. S., Importance of Using Reliable Citrus Trees in New Planting....158
Milliken, C. S., and Dr. H. J. Webber, Questions on Frozen Citrus Fruits and Trees....78
Millions of Dollars Involved in Freight Rate Hearing....240
Mission Style Packing House for Anaheim....91
Morrill, A. W., Graduated Tent Fumigation Dosage System....52
Treatment of Canvas to Prevent Mildew....220
Much Accomplished in Furthering Fruit Growing Interests, Report of Horticultural Week....232-233

N

Navel Satsumas Found in California, D. B. Mackie....60
Necessity for Manure Standardization, I. G. McBeth and J. R. Allison....259
Newman, Carl V., A Ranch Insectary for Control of Insect Pests....314
News of Interest to the Citrus Grower....6, 30, 54, 82, 118, 156, 178, 206, 234, 262, 294, 334
Ninth National Orange Show....121
North Whittier Heights Packing House....350
Notes on Navel Variety Satsuma Orange, D. B. Mackie....20

O

Oranges for Thanksgiving, B. B. Meek, Oroville, California....274

P

Paddock, E. H., Orange, Bridge Grafting on Citrus Trees....276
Pecan Nut Cultivation Advocated for Interior Valley Lands, Robert A. Harris....241
Plant Lice Attacking Citrus Trees and Their Control, Rollin La Follette....149
Popenoe, Wilson, Agricultural Explorations in Mexico. Nos. I, II and III....2, 29, 63
Poultry as a Source of Manure for Citrus Ranches, R. W. Hodgson and E. J. Hauser....110
Powell, G. Harold, Annual Report California Fruit Growers Exchange....330
Farm Bureau and Citrus Fruit Grower....344
Retain Confidence of Public in California Fruit....159
Precautions to be Observed in Use of Liquid Gas....12
Prizer, J. A., Citrus Experiment Station, Improving the Soil in a Young Orchard....202-203
Fertilization of Citrus Groves During Period of High Prices....231
Proper Method of Picking Oranges....62
Protection of Citrus Groves by Heating, C. C. Teague, Limoneira Ranch Company....148
Pruning Young Valencia Orange Trees, Dr. H. S. Reed....79
Psorosis (Scaly Bark) of Orange Trees in California, H. S. Fawcett....107
Putting the Soil in Tilth With Summer Crops, R. S. Thompson....323

Q

Quayle, H. J., Daylight Fumigation with Hydrocyanic Acid....292
Liquid Hydrocyanic Acid Fumigation....260
Questions on Frozen Citrus Fruits and Trees, H. J. Webber and C. S. Milliken....78

R

Page

Recent Investigations in Orchard Heating, I. G. McBeth and J. R. Allison, Leffingwell Rancho....51
Reed, Dr. H. S., Pruning Young Valencia Orange Trees....79
Some Observations on the Pruning Question....258
Results of Experiments with Pruned and Unpruned Washington Navel Trees, A. D. Shamel....174-175
Retain Confidence of Public in California Fruit, Advises G. Harold Powell....159
Riverside Convention Vitally Affects Fruit Grower....14

S

Schuyler, H. A., Improved Grading Table for Lemon Packing Houses....13
Scott, C. J., Fifty-Year-Old Lemon Orchard, Example of Longevity....27
Scott, L. B., Varieties of the Satsuma Orange....176
Selecting a Tractor for Orchard, by J. B. Davidson....304
Shamel, A. D., California Grapefruit Winning Its Way....230
Further Observations Upon Furrow Manure System....332-333
Furrow-Manure Method of Feeding Orange Trees....5
Housing Employees of Californias Citrus Ranches, a Sixth Paper....204
Results of Experiments with Pruned and Unpruned Washington Navel Trees....174-175
Successful Grapefruit Production in California....50
Sketch of R. C. Allen, of Bonita....115
Sketch of E. M. Chace, Chief of Citrus By-products Laboratory....155
Sketch of V. H. Craig, San Fernando....299
Sketch of W. G. Fraser, Riverside....35
Sketch of F. B. Hutchens, General Manager Fruit Growers Supply Company....211
Sketch of C. J. K. Jones, Orange....11
Sketch of F. A. Little, Riverside....267
Sketch of R. C. Merryman, Exeter....59
Sketch of W. E. Sprott, of Porterville....239
Sketch of C. C. Teague, Santa Paula....183
Sketch of B. A. Woodford, Claremont....87
Smith, Harry S., Superintendent State Insectary, Snail a Possible Danger to Citrus Industry....53
Work Which Means Much to the Industry. Report on Insectary Work....261
Snail a Possible Danger to Citrus Industry, Harry S. Smith....53
Soil Tillage in Relation to Citrus Orchards, W. M. Mertz....214
Some Observations on the Pruning Question, H. S. Reed....258
Some Phases of Citriculture, Gordon Surr, Nos. I and II....248, 270
Some Relations Between Citrus Fruit Growth and Soil Moisture, C. A. Jensen....119
Some Relations Between Fruit Growth, Soil Moisture and Climatic Conditions, No. 2, C. A. Jensen, U. S. Department of Agriculture....184
Special Income Tax Form for Ranchers....92
Sprott, W. E., Sketch of....239
Successful Grapefruit Production in California, A. D. Shamel....50
Sunkist Courier Department, Don Francisco, Editor....7-10, 31-34, 55-58, 83-86, 111-114, 151-154, 179-182, 207-210, 235-238, 263-266, 295-298, 335-338
Supply Company Purchase of Timberlands....293
Surr, Gordon, Yields of Washington Navel Oranges in Relation to Pruning....290
Some Phases of Citriculture, Nos. I and II....248
Sweepstakes Hung Up for Grapefruit at Orange Show....64
